FOREIGN BROADCAST INFORMATION SERVICE

Of Special Interest This Week

+USSR POLITICAL DEVELOPMENTS -- FBIS coverage of the CPSU Central Committee Plenum and the Supreme Soviet session, held 30 September and 1 October respectively, helped keep the DCI and the DDCI briefed on these significant events in a timely manner. Items monitored by London Bureau and run on the FBIS Wire were passed to them by the CIA Operations Center. During these 2 hectic days, FBIS Wire Duty Officers maintained constant contact with the White House Situation Room, the CIA Operations Center and the National Military Command Center to provide policymakers and Intelligence Community consumers with timely reporting on the major leadership shakeup that occurred in the Soviet Government.
